Dear Earl Abdulmalik Mohammed:

This letter is to acknowledge your recent donation of the following books you authored to the Schomburg Center's Jean Blackwell Hutson Research and Reference Division:

Democracy, Civic Virtue and Islam: The Muslim-American Jihad Against Extremism
The Muslim-American Message for Humanity in the Day of Religion

The Schomburg Center for Research in Black Culture is recognized as the world's leading repository focusing on the global Black experience. Begun with the collections of Arturo Alfonso Schomburg in 1925, the Schomburg Center is dedicated to collecting, preserving and providing free access to materials documenting Black life, history and culture. With the help of donations from supporters such as you we will continue to see our collections strengthened, our programs expanded, and a range of research needs met.

On behalf of the Schomburg Center, I thank you for your generous donation.

Sincerely,

A.J. Muhammad
